

	Disaster Checklist for the Family
	Become aware of household hazards and secure dangerous substances.
	Consult local Fire & Rescue as to the proper placement of fire extinguishers and CO monitors.
	Train for CPR/AED and First Aid. Renew certification as mandated.
	Purchase or prepare a First Aid Kit, keeping special needs in mind. Inspect every six months.
	Develop an exit plan from the house and familiarize everyone with it.
	Establish rally points outside of the house. (At least 2.)
	Post emergency numbers in a conspicuous location. Include out of town contacts.
	Keep medical records (including prescription information) in a convenient, marked place for First Responders.
	Prepare an Evacuation Kit (See handout.)
	Initiate or participate in a Neighborhood Watch program.
	Know of local shelters in the area and how to get to them.
	Maintain at least 72 hours' worth of non-perishable food and water.
	Purchase an all-hazards radio and test monthly. Replace batteries every six months or as needed.
	Keep multiple copies of birth certificates, social security records, insurance policies. Scan electronically and save in multiple, secure locations. Keep one copy in Evacuation Kit.
	Keep at least \$200 per person in a secure location. (i.e. Evacuation Kit, etc.)
	Purchase power failure lights for home. Can be used as flashlights in an emergency.
님	Maintain auxiliary lighting in home and car. Replace batteries every six months.
Ц	If you purchase a generator, be sure to operate it only outside and test monthly.
	Encourage all of the above to the local congregation and assist in the development of a Disaster Response Ministry.
