Moderator's report (Carol Day)

Carol shared details from the Gathering Horizons #1 pamphlet and the newest Quarterly Mailing report. It was agreed that a 12'x12' scrapbook page, to honor a key person or moment, will feature Mary. Marilynn will gather photos of Mary and ask Aloha Whitney to create the page. Local PWs are also encouraged to create and take pages. The USAME San Francisco and Global Exchange to Indonesia groups now have mission projects officially approved for donations. Details will be in the fall newsletter.

Gift cards for the Churchwide Gathering are still be collected.

Carol will distribute the updated by-laws to everyone.

PW will continue to have a seat on the Presbyterian Mission Agency Board with voice and vote. PW will have a seat with voice and vote on the new A Corp Board. During GA, Carol Winkler was elected to this position and will have a 4-year term. 2 staff representatives from each agency will be present at the Diverse Voices Table. PW has been invited to send 2 staff members, as well.

Historian: Loyda asked for help downloading photos.

Networker North (Mary Hargis): all is well. The Brigham City summer social is July 19; all are invited

Networker Central/South (Carol Day): American Fork is preparing for its 140th anniversary. Loreen Heil is working hard on that effort which is why she is absent today. Springville had extended a one-year contract to Rev. Gil Lopez. Jane McCoy reports that PW in Cedar City has folded. The women are part of the fellowship. Their bank account was used to help purchase the thrift store that the church owns and operates. They still have two Bible studies and are planning a retreat. Prayers are asked for all.

Networker Capitol (Sally Hoffelmeyer-Katz): The CT of Community of Grace was installed during worship. Efforts have been made to reach PCUSA congregations without PW groups, by identifying individual women who are positive toward PW, and offering them a personal invitation to PW events.

Search: Positions open for 2019: Vice Moderator (vacant at this time), Secretary, Treasurer, Historian, Capitol Networker, Horizons, Newsletter editor. Eva Edwards volunteered to serve another term. The Networker/Search Committee members need names for nomination. Please feed them names, even from congregations that do not have official PW groups.

Mission/Justice/Peace: Linda Olson shared information on Thursdays in black, the upcoming USAME trip in New York and updates for Healthy Women Healthy Families. The program continues, and donations are welcome, but cards will no longer be available.

Newsletter: Information for the fall newsletter is due by August 3 so that it can be included in church newsletters. All those going to the Churchwide Gathering are asked to submit testimonials of the Gathering to encourage others to attend the fall gathering.

Pastoral Resources (Nancy Holve): Nancy has been overwhelmed with work.

Presbytery of Utah (Loyda): The spring Presbytery meeting in Springville was a wonderful example of connectionalism, and a joy in celebrating those who are studying to be ordained ministers of word and sacrament.

Website (Jane Lee Vondette): the website is up to date. Marilyn will send the flyer for the 2-19 Synod gathering for posting.
